Keep Our Children SAFE: Our children's safety is a top priority. We encourage parents & guardians to keep a close watch on the children in your care. The church is a large facility with lots of people in it. The possibility of a child getting lost or hurt is a real concern. Please do not allow children to run in the halls, foyer & sanctuary. Please join us in creating a safe environment for young and old, by keeping a close watch on the children in your care. Thank you for helping us keep our kids safe.
